News from the Board & Teams

From the President :

Wow, hard to believe the school year is coming to an end. I hope that all of your children have had an amazing time over the past 10 months at Lansing.

I would like to thank the teachers and Gina for putting on an amazing parents night and the fundraising team did a stellar job not only that night but throughout the year. I'm very happy to announce that due to their tireless efforts we've managed to raise enough money to purchase some much needed items for the school including new plasma cars, digital cameras, printers and a new computer. We hope that all of those items will only enhance the experience of the students, parents and staff for the remainder of this year but in the future as well.

Lastly I want to thank all of you for your contributions throughout the year to make Lansing the great place that it is. The Co-op experience isn't for everyone but I'm glad you embraced it and hope you made the most of it.

I wish all the children the best of luck in the fall whether you're off to JK or returning to the pre-school program at Lansing.

Thank you!

Robert Rudd

Fundraising

We managed to raise \$828 for this busy month of May! Thank you for attending Family Night and congratulations to all the winners of the Silent Auction!

The money raised will be used to improve and enrich the infrastructure and programs of our school. As you can see, improvements in the playground are already underway.

Once again, thank you all for making Lansing Nursery and Co-Operative school a wonderful place to learn and play. You and your little ones are what makes our school the wonderful community that is. We hope count on your support in the years to come.

Sincerely,

THE FUNDRAISING TEAM

A special thanks to all the donors of our Spring Silent Auction
